Todd, I'm very surprized that we have not received your response regarding payment.

Will you be sending daily wire deposits that you had offered or will you be closing this contract within the next few days?

We're getting close to midweek again and still don't know when you plan to pick up.  
 We can't continue without communication.  
 Let's wrap this up.  
 Need to hear from you today.

OK. While Kristy tracks this down and lets us know, can you tell me what to expect regarding the balance owing.

I received the below notification yesterday but still have not received the wire. Normally, we get our wires before noon EST.

I noticed that you have used a different bank from the previously sent wires. Perhaps the bank has made a mistake on our wire info.

Can you check with them and ask to obtain a proper bank wire confirmation which indicates all the particulars including wire conf number so that it can be tracked?

Thanks.

Are you sending another wire to be applied as additional deposit today? You had said that we would be getting \$100K yesterday but the below notification states that only \$50K was sent.

Will you be sending daily wire deposits that you had offered or will you be closing this contract within the next few days?
